

USJDP Player Profile Update Instructions:

Please take the following steps to update your players' "Player Profile" via your online account. Please note: Depending on when you registered, these questions may have been included on your registration form so you may not need to update them.

1. Login to your online account via the link shown below:

Enter the email address and password you setup at time of registration in the Account login box. If you do not remember your password, please click "Retrieve Password" to get the password you selected emailed to you.

<https://camperregsecure.com/usjdp/login.php>

Account Login:

To access registration and account management features you must first create an account. If you already have an account, you may access it by entering your username and password below.

Account Login:
